**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a consumer and small business owner who supports broadband competition I would reject this proposal that would increase cost and stifle competition.

Currently use the fiber broadband an recently upgraded from DSL. Cost is a big concern as my phone and cable rates keep rising but my competitive broadband service has kept prices consistently flat.
